WHEREAS, the Common Council of the City of Evansville Indiana finds it desirable to amend chapter 6.05.040 to prohibit the endangerment of domestic animals.

- (2) Be a custodian of, or permit, an animal nuisance, except running at large or not under restraint (see subsection (A)(4) of this section).

If a large animal is in compliance with the previous code provisions on the date of adoption of the changes herein, the large animal may remain so long as the previous code is complied with in all respects; however, if the large animal is not in compliance with the previous code provisions on the date of adoption of this chapter, then the large animal and the premises shall comply with the provisions of this chapter, including, but not limited to, the requirement that the land be zoned "agricultural."

Custodians of an animal shall regularly, and as often as necessary, maintain all animal areas or areas of animal contact to prevent unsanitary conditions on the property and to prevent odor from escaping from the property of the custodian.

(17) Methods.

(a) No animal may be induced or encouraged to perform through the use of chemical, mechanical, electrical, or manual devices in a manner which will cause or is likely to cause physical injury or suffering to the animal. This provision shall not prevent the use of a collar with an electrical charge to prevent escape from a yard or enclosure; however, such electrical collar shall not be the primary form of restraint. Physical restraint shall be provided as required in this chapter.

(b) No person employed to train an animal shall use alpha-rollovers, helicoptering, hanging by the collar, kicking or any other abusive methods.

(18) No person shall keep or maintain any coop in which chickens, ducks, pigeons, turkeys or other domestic fowl and poultry are kept within a distance of less than 50 feet from any neighbor's dwelling; and no person shall keep or maintain pigeons in violation of guidelines set

Those maintaining a current membership with this club will be subject to normal periodic inspections, as provided in this chapter, by Animal Care and Control, as well as if there are any complaints.

No more than six chickens, ducks, turkeys or other domestic fowl, or combination thereof, shall be maintained at any one parcel of property. In calculating the number of chickens, ducks or other domestic fowl, only animals over eight weeks of age shall be counted.

(f) No person shall aid, abet, assist, act as judge or referee, bet or wager money or other valuable consideration on the outcome of, be at, attend, or in any way engage in the furtherance of an exhibition of animal fighting.

(g) If the actions prohibited in this subsection (A)(19) constitute a criminal violation, the criminal violation shall be pursued instead of an ordinance violation.

(20) No person or group of persons or any for-profit or not-for-profit organization, whether for pay or other compensation or for free promotional purpose, shall conduct or allow any event involving physical contact contests between animals or persons using animals in any form or manner except those events reviewed and approved for the safety, well-being, and comfort of the animals involved by Animal Care and Control.

(21) No person shall set any type of poisonous substance or bait within the City limits that is harmful to any pet, which is contrary to the instructions set forth on the manufacturer's instructions; provided, however, that controlled programs under the direction of the County Board of Health or a licensed extermination service are excluded.

(22) Sale of Underage Animals. No puppy or kitten that is under the age of eight weeks may be offered for sale, trade or for other compensation or for free giveaway except a puppy or kitten or litters may be taken to the animal control shelter or any 501(c)(3) humane adoption agency. This subsection (A)(22) shall not apply to Animal Care and Control, any 501(c)(3) humane adoption agency, 501(c)(3) organization promoting education, agriculture or scouting activities or governmental organizations.

(23) Traps.

(a) No person shall use, place, set or cause to be set within the City, or upon lands owned by the City, any traps except cage-type live traps approved by Animal Care and Control and used for the control of nuisance animals. This shall not apply to any trap specifically designed to kill rats, mice, gophers, groundhogs, muskrats or moles so long as the owner of the real estate is aware of the location where the trap(s) are set and monitors said trap(s) at least once every 24 hours.

(b) Traps discovered by Animal Care and Control to have been unlawfully set in the City may be seized and used as prima facie evidence that a violation has been committed. Upon a determination that said traps are set in violation of this chapter, said trap(s) shall be forfeited to and disposed of by Animal Care and Control.

(24) No person shall fail to obey the provisions of this chapter or any restrictions, regulations, or orders issued by the commission pursuant to the terms of this chapter.

(25) No person shall release piranha into any stream, river or lake.

(26) No person shall recklessly, knowingly, or intentionally perform any act or omission that creates a substantial risk of injury to any domestic animal.

(B) Transporting Animals. Any animal transported in the open bed of a truck shall be tethered by a halter, and not by the neck, to the two sides of the front corners of the bed of the vehicle while the vehicle is in motion or placed in a safe contained travel carrier so as to prevent injury or danger to the animal. Tethering devices shall not be longer than three-fourths of the width of the bed of the truck.

(C) Lost or Stray Animals.

(1) Persons finding a stray animal shall notify Animal Care and Control within 48 hours of finding the animal. Animal Care and Control shall inspect or scan the animal to determine ownership. Animal Care and Control shall return the animal to its rightful owner.

(2) Any found animal shall be held for a minimum seven days before a disposition is made, unless the animal needs to be euthanized for humanitarian purposes upon the decision of a veterinarian (if available) or the Superintendent or the Superintendent's designee due to the animal's mental or physical condition to prevent suffering.

(3) Persons finding an animal are obligated to comply with all rules and regulations of this chapter pertaining to humane care and treatment of animals while said animal is in their custody awaiting return of the animal to its actual owner. After seven days, the finder may keep the animal if he obtains the necessary permits or licenses required by this chapter or upon a determination by a court of law if ownership is contested. Persons who retain the animal accept the responsibilities as a custodian of the animal.

(D) Injury Caused by Motor Vehicle to Animals. Any person operating a motor vehicle who knowingly causes injury or death to a domestic animal shall immediately notify the owner, Animal Care and Control or local authorities of the location of the animal (dial 911).
